Supplemental Information **Coverage for:** Individual + Family | **Plan Type:** EPO

How is the overall deductible or out-of-pocket limit met?	Individual **deductible** and **out-of-pocket limit** payments apply to the family **deductible** and **out-of-pocket limit**.	The family **deductible** and family **out-of-pocket limit** are cumulative for all family members. The family **deductible** and **out-of-pocket limit** can be met by a combination of family members; however no single individual within the family will be subject to more than the individual **deductible** or **out-of-pocket limit** amount.

How your out-of-network care is reimbursed:

Your **plan** does not cover care you get outside of our **network**. Generally, we will not pay anything for that care. But your **plan** will pay for **emergency services** you receive from health care **providers** not in our **network**. Your cost sharing – **deductibles**, **coinsurance**, **copayments** – will be the same as if you got the care in-network. You are not responsible for paying anything else. If you get a bill for anything more, contact us.

Other important information about your plan:

This **plan** does not cover all health care expenses and includes exclusions and limitations. Members should refer to their **plan** documents to determine which health care services are covered and to what extent.

Additional information regarding your **plan** is available in the Disclosure Document on **Aetna.com**.

Information includes:

- "Knowing what is covered" which describes how we review a request for coverage for a service or supply
- "**Prescription drug** benefit" which describes procedures we use to manage **prescription drug** benefits. These procedures include how to obtain a list of covered drugs and the exception policy for receiving coverage of a drug that is not on a closed formulary

See **plan** documents for a complete description of benefits, exclusions, limitations and conditions of coverage. **Plan** features and availability may vary by location and are subject to change. You may be responsible for the health care **provider's** full charges for any non-covered services, including circumstances where you have exceeded a benefit limit contained in the **plan**. **Providers** are independent contractors and are not agents of Aetna. **Provider** participation may change without notice. The following is a partial list of services and supplies that are generally not covered. However, your **plan** documents may contain exceptions to this list based on state mandates or the **plan** design or rider(s) purchased by you or your employer.
