# Discover medication savings

As your pharmacy benefit provider, we're always looking for ways to help you save money. That's why we created the Savings Center, one place where you can see the medication savings we've found for you.

## Here's how it works

Register for your online account or sign in at **optumrx.com/savings** to see the estimated price you would pay for a medication, plus the expected savings amount. We'll show you whether you could save money by:

- Switching to a generic medication
- Using home delivery
- Ordering from another pharmacy
- Changing to another covered medication

Savings could be $1 a month, $10, $20 or more. Even small savings add up over time.

To get email alerts when we find savings for you, just sign up for email at **optumrx.com/account**.

We find ways you can pay less. Sign in at **optumrx.com/savings** or scan the QR code to see if savings are waiting for you.
